E-Switch's Latest Power Toggle Switch Has Heavy Duty Ratings

E-Switch's ST3 series power toggle switch
(300 dpi image attached)

MINNEAPOLIS, MN --- E-Switch-Lamb Industries introduces the ST3 series power toggle switch. The ST3 series power toggle switch features a heavy duty rating with UL approvals, and tab, screw and solder terminal options. It has a rubber boot for water and dust protection. Specifications include:

- Electrical Life** – 6,000 cycles
- Contact Rating** – up to 24A / 2HP – see website for details
- Contact Resistance** – 50 milliohms max
- Insulation Resistance** – 800 Megaohms min at 500VDC
- Dielectric Strength** – 1,500VAC for 1 minute
- Operating Temperature** – minus 20C to +85C

Markets for the ST3 series power rocker switches include industrial applications, instrumentation, telecommunications, appliances, and medical equipment, among others.

Visit E-Switch – Lamb Industries at www.e-switch.com and www.lambind.com or you can call us at 800-867-2717 to request your catalog! You can also request a sample of one of over 4,000 discrete part numbers for one of your projects! Little Details. Big Quality.

About E-Switch. In 2009, E-Switch, Inc. acquired Lamb Industries and now offers one of the broadest switch lines available today. Both companies have been delivering innovative and quality switches to the electronics, telecom, high tech, instrumentation, industrial, appliance and consumer markets since 1979. Located in Minneapolis, Minnesota, and Portland, Oregon, their global reach extends to Europe, Asia and Latin America. Products include Rocker, Toggle, Slide, Tact, Pushbutton, Dip, Rotary, Keylock, Snap Action, Power, illuminated switches, and more. E-Switch – Lamb Industries has local reps, distributors, engineers and account managers on hand to provide specifying assistance and quick response to requests, along with a top notch sampling and cross-referencing program. E-Switch – Lamb Industries' online catalogs include complete specifications, drawings and schematics.
