

Defining representation for over 22 years...

ENGINEERED SOLUTIONS:

OPTEK & ROXSPUR

Infrared LED's & Sensors
standard & Custom optoelectronic sensors & switches. Hall-effect magnetic sensors, hi-rel and space components, fiber optic & VCSEL devices. Temperature, pressure, flow, & level sensors.

L-COM

Custom Cable Assemblies &

Connectors: CAT 6, Audio/Video, Coaxial, Fiber Optic, Telecom, D-Sub, Mil/Aero, IEEE-488 GPIB, Firewire, Din, SCSI, SATA, USB, & Serial products. **Wire**

METHODE ELECTRONICS

Bus Bars: Planar, Laminated, & Powder Coated. High Current Cable Assemblies, Fusion Lugs, **Connectors, & Contacts.**
Custom Chill Plates

Y.S. TECH

AC & DC industrial cooling **fans & blowers.** Automotive Grade, Xtreme high performance, IP67 fans & blowers for Harsh Environments. **Heatsinks, Powercords & Castings.** Free Electro-Thermal Analysis.

SYNQOR

DC/DC & AC/DC Converters:

3 phase PFC modules, Configurable power assemblies, EMI Filters. Ruggedized UPS, Mil Power, Inverter, Rack Mount, Medical D-Fib proof.

L-COM

Antenna's: Wireless, Grid, Yagi, Omni, Patch, Rubber Ducky, Mobile Mount, Array, Dish.
WLAN Amplifiers; Wireless CPE, Access Point Adapters.

GLOBTEK, INC.

Power Supplies; Medical, Wall Wart, Linear, Switching, Open Frame, & Level VI. **Battery Packs, Battery Chargers, & Power Cord's.**

IRC & BI Technology

Resistors; Power, Thick film, SMT, High Voltage, Mil Spec, Current Sense & surge protection.
Inductors; Power, Molded, Shielded, Mil Spec, & Customs.

USER INTERFACE:

E-SWITCH

Switches: Sealed up to IP67, Illuminated, low profile, SMT, Miniature, & Power-rated. Custom Switch Cable Assemblies.

ALPHA & OMEGA

Power Management Solutions:
MOSFET, IC, Analog Switch, & TVS
Products that incorporate high efficiency device designs in Si, GAN, & packaging technologies.

BI TECHNOLOGY

Single and multi-turn precision **potentiometers.** Standard & custom panel potentiometers. Steering & torque sensors, and non-contact rotary sensors. Encoders, slide pots, trimmers / trimpots, & turns-counting dials. Dial to zero.

L-COM

Weather proof enclosures: Lightning Protectors, Ethernet Converters, Ethernet Switches, Security Surveillance, Power over Ethernet.

PRINTEC

Custom Membrane Switches; IP67 environmentally sealed, Flexible, & Backlit. Nameplates, Overlays, Custom Keypads, & Touchscreens.
Flexible Circuits; IML/IMD,

VCC

Light Pipes, Panel Lenses, LED's, Clips, Panel Mount Indicators, Lamps, Circuit Board Indicators, & LED Mounting Hardware. Custom design & build to print lighting solutions, F/O light pipes.
